

The Mortgage Centre

We work for you, not the lenders.

Dear Mr. Rogan

I am writing this letter as both a professional and as a consumer.

By profession I am an Accredited Mortgage Professional.

I am very careful when referring my clients to a realtor as any experience they have reflects back on me and my business. I am very happy to say that I have had the opportunity to refer several clients to Susan Dunton and Stefanie Colwell and have not been disappointed!

As a consumer I recently procured the services of Susan and Stefanie to sell my own home. I am happy to say that I now join a long list of satisfied customers. They were professional, patient, knowledgeable, and accessible. Susan always answered her phone when I called. They gave excellent advice and ultimately brought us three offers! No small feat in this challenging market.

As a mortgage agent I will continue to refer business to your firm through Susan and Stefanie and as a consumer I am happy to give the highest recommendation to my family and friends.

Congratulations on hiring the very best to represent Royal LePage Performance Realty.

I look forward to many more successful business transactions with your company in the future.

Yours truly,

Heather Richardson AMP
